

Sharpdesk® Mobile v2.1.2 Offers Enhanced Usability with Windows® 10 Support

Sharp Imaging and Information Company of America is pleased to announce the availability of Sharpdesk Mobile v2.1.2. This new version of Sharpdesk Mobile includes support for the latest Windows 10 OS.

The latest Sharpdesk Mobile provides convenient and simple printing and scanning functionalities for your Windows 10 customers. The updated version of Sharpdesk Mobile includes enhanced accessibility of scan/print functions on various devices such as laptop PCs and tablets running Windows 10 Home, Pro and Enterprise. To experience the latest features of Sharpdesk Mobile, please visit and download the application from the Windows store.

For more information on Sharpdesk Mobile, please visit the [Sharp USA website](#).

Additionally, Sharpdesk Mobile is available for Android™ and iOS® Platforms and is available to download from Google Play® and Apple® App StoreSM online stores.

In anticipation of Windows 10 adoption in the workplace, Sharpdesk Mobile will enable your dealership to help businesses and organizations streamline print and scan integration as they make the transition to a BYOD environment. This gives your customers the ability to focus on their business priorities and work efficiency.

Thank you for your continued support,

Vince Jannelli
Senior Director, Software Product Management
Sharp Imaging and Information Company of America
